

HHS Band Trip Financial Contract

Norfolk NATO Parade of Nations / Virginia Beach: April 22 – April 25, 2027

1. Upon submission of this signed Financial Contract to the HBA, the student is required to pay in full the entire cost of the trip (estimated amount of \$1,219.00), through either fundraising or personal check, by the installment dates set forth below.
2. ***There are no refunds at anytime (unless you purchase trip insurance – see # 3)*. Campbell Tours pays for the trip as they receive funds from you. They must do this to meet deadlines from the vendors that we will be visiting.***
3. ***Families may choose to purchase trip insurance. Trip insurance is not a part of this trip and must be purchased separately directly between you and an insurer of your choice. if you elect to purchase protection. Campbell Tours recommends “insuremytrip.com.” Phone #: 1-877-266-0741. This company has a “cancel for any reason” policy up to 48 hours before departure for approximately \$110.00 (exact premium costs are not provided until the family enters info online). Another policy covering just illness, injury & death-in-family, up until departure, is available for approximately \$60.00 (exact premium costs are not provided until the family enters info online). Purchasing insurance is a decision families make with an insurance provider; HTSD, HBA, and Campbell Tours are not responsible or involved in any arrangements made between a family and an insurance provider.***
4. If you file a claim and are returned a refund, the fundraised portion of your trip refund shall be returned to the HBA, per IRS regulations regarding 501(c)3 organizations. Personal contributions would stay with you.
5. Students are **NOT** permitted to sign-up for a room until they are current with their payments.
6. If you decide to withdraw your student from the trip, you must notify Mr. Himmler in writing. It is assumed that all students who submit a trip contract are attending the trip until we receive notification in writing of a change.
7. The following payments must be met on time with either fundraising credits or a personal check payable to the **“Hampton Band Association.”** Parents will be able to see what they owe in their Cut Time profile prior to each payment deadline.

Payment Dates: #1 September 1 = \$200.00 with financial contract

#2 November 2 = \$400.00

#3 March 1 = ~\$619.00 or balance

****The final cost of the trip is dependent upon the # of students who attend. If 135 - 147 students attend the trip, then the above amounts are correct. Fewer than 135 students would increase the cost of the trip. The cost would be lowered if more than 147 students attend.***

By signing my signature below, I have given my child permission to attend the band trip to Virginia Beach, VA. We understand the financial obligation associated with a trip of this magnitude and agree to meet all financial obligations either through fundraising or a personal check. We understand the above financial policies as they relate to this trip:
